Josh Watchorn Gets 100th career win!!

Josh went on to get his 101st win as he got a quick pin in the championship match defending his title from last year. 105 wins is the school record, and Josh should have another 35 or so matches on the year. Nathan Uhl will get his 50th win at Osmond so should be around 85 wins by the end of his Jr year. Josh Curry is the holder of the 105 win season.

Ponca Wrestling team traveled to Akron, IA to compete in probably one of our toughest regular season tournaments, with top wrestlers from the tri-State area. Eight wrestlers competed, four placed. Josh W. 1st, Nate U. 2nd, CJ Trusty 3rd, and Jonathan Larsen 4th. I see a lot of potential in the other wrestlers as they did score on the top wrestlers but made some mistakes that cost them the match. Hopefully we will have a full week of practice this week to work on these problems. We were kind of banged up with Riley K., Andrew L., and Eli M. sitting out with minor injuries. Vasean M. not yet ready to compete. All should see action this Saturday as we compete at the Osmond Invite. We should have the

more of the team, eleven of twelve wrestlers competing, hopefully to place in the top four. Lance Lyman injured a rib and will be out a few weeks. He was coming on strong so it'll be nice to get him back healthy. It'll also be nice once Jonathan can wrestle at 119 filling another weight spot for us.

Sean Holgate finishes the year undefeated at 13-0, he continues to grow and learn as a wrestler. Taylor did a nice job too finishing 4th he continues to improve every match, Sean Uhl had ups and downs this year but continues to work hard as he grows into his body. Dean Manning was a New addition this year, he grew in confidence each match. If he can improve his upper body strength he will become a good athlete. RJ Hartman finished the year with a back injury. 8th Graders James Stark and Ben Brickett continue to show potential and will continue to get better the more mat time they get. Jason Markworth was 7-0 before missing the last 2 meets. With more practice and some summer camps they all will be forces to reckon with and great additions to the HS team.

This wraps up this year Jr High season, although in Feb –March their will be club tournaments around the area.
